

# MARLIN SEASON 2018

BAZARUTO  
ARCHIPELAGO

AUG-DEC '18

*Welcome to the Bazaruto Archipelago, one of World's best Giant Black Marlin fishing destinations.*

*With 17 years' experience in the area we invite you to step aboard our fully rigged sport fisher's, for a fishing experience of a lifetime. We have been Mozambique's top billfish charter boat for almost two decades and more (1000 pound plus) Grander Black Marlin have been caught / released aboard our 31ft VAMIZI than any other vessel in Africa. Blue and Striped marlin can also be caught out wide and the by-catch of other species such as sailfish, wahoo, Yellowfin tuna, dorado, cuda, Kingfish and other's makes this an extremely versatile and exciting destination. We cater for experienced and novice anglers alike and for those interested in making the most of the Archipelago's diversity we happy to combine & package for other forms of fishing such as plugging for GT's, vertical jigging, drop shot, fly fishing, light tackle spinning & conventional light tackle trolling. Please contact us or go to [www.fishbazaruto.com](http://www.fishbazaruto.com) for any additional information.*
